## SUSPECT FIGHTS FOR HIS FREEDOM

### Habeas Corpus Proceeding Begun in Case of Man Held for Alleged Assault.

To secure the release of Claude Hill, the negro who is being held by the city authorities on suspicion of having committed the recent criminal assault on a young woman on Church Hill, habeas corpus proceedings were reported to yesterday. The matter was before the Supreme Court of Appeals, and was argued by Mr. David Meade White, for the prisoner and Commonwealth's Attorney Minette Folkes for the State.

All the judges were present except Judge Caldwell, and when the argument was concluded the court took the matter under advisement. A decision is expected to-morrow. The United States authorities are interested in the proceedings to the extent that they want Hill on charges of violating the revenue laws in the State of North Carolina. It looks as though the negro is "up against it," whichever way the Supreme Court decides the case. He was remanded to jail to await the decision of the court.

The court granted a writ of error in the case of Scott vs. the Commonwealth, from the Corporation Court of Fredericksburg.

### General Anderson Active.

Adjutant Anderson is pushing the question of the State's availing itself of the provisions of the Federal statute known as the Dick bill. He has sent a letter on the subject to each member of the new Legislature. Explanatory extracts from the letter follow:

"As, under the act of Congress, the State will have to accept the provisions of the Dick bill before the 21st day of January, 1908, in order to continue to draw the United States appropriation it will be necessary for the Legislature to take the matter up as early as possible in its session. It is desirable that the State shall still continue to reap the benefit of an appropriation of about \$48,000 from the national government each year to its militia.

The Adjutant-General's office will

be glad to furnish any additional information in its possession as to any of the subjects mentioned, and respectfully asks for the good of the Commonwealth that you may give such attention to this question as you may feel inclined to under the conditions as set forth herein."

### Board of Censors.

Assistant Secretary of the Commonwealth J. C. Hankins was busy yesterday winding up work on the papers to be laid before the Board of State Censors to-morrow, when that body will sign and certify the returns of the recent legislative election. A certificate will be issued at the same time to Congressman-elect C. C. Carlin, of Alexandria, who was chosen on the same day to succeed the late John P. Riley, of Culpeper, as Representative from the Eighth Congressional District. The board is composed of Governor Swann, Attorney-General Anderson, Treasurer Harman, Auditor Myrre and Secretary of the Commonwealth D. Q. Eggleston. They will have to issue 141 certificates. One hundred and forty of these are for members of the Legislature, and one is for Congressman Carlin. As signatures are required to two papers in each case, each member will have to sign his name 282 times at the meeting. This will be the heaviest part of the work, however, as the figures have all been compiled, and there are no contests in prospect.

### Brief Capital Notes.

Corporation Commissioner Joseph E. Willard has returned from Wythe county, where he went to ascertain the merits of the application for a station at Speedwell, on the Cripple Creek branch of the Norfolk and Western Railway. Captain Willard said he would lay his findings before his colleagues in a few days, when the matter would be finally determined.

There are three candidates for superintendent of schools of Allegheny county, to succeed Hon. Floyd W. King, who has been elected to the State Senate. They are Mr. George O. Green, editor of the Clifton Forge Review, and Messrs. J. O. Jordan and R. P. Hawkins.

### Engagement Announced.

Mr. and Mrs. A. R. Woodward, of Louisa, announce the engagement and approaching marriage of their daughter, Maudie George, to Mr. C. D. Flanagan. The marriage will take place at the home of the bride Wednesday, December 11th, at 3 P. M.

## VIRGINIA WANTS BEST IMMIGRANTS

Mr. J. H. Patten, Secretary of Immigration Restriction League, Discussed Question.

### TROUBLE IN THE NORTH

Many Men and Women Coming to America Belong to Very Low Class.

Mr. J. H. Patten, Secretary of the Immigration Restriction League, is in the city on business. The league, as its name indicates, is interested in securing Federal legislation that will sift out undesirable aliens. It is not opposed to immigration as such and was organized a few years ago by such well known men as Owen Wister, the novelist; John P. Fiske, the historian; Henry H. Rogers, the publisher; James H. Reynolds, the President's special investigator; Joseph Lee, the philanthropist, and other public-spirited men familiar with the changing character and deteriorating quality of immigration as its source was shifted from Northern to Southern Europe and Western Asia by the profit-making greed of foreign steamship companies.

To a representative of The Times-Dispatch Mr. Patten said: "You people of Virginia have hit upon the right plan, and you are very fortunate in the head of Alderman Bennett's resolution for better telephone service in the city. Mr. Bennett has been successful in having the representatives of the telephone company will also be present.

During his residence in Richmond Dr. Landrum was one of its most popular citizens. He was for many years chaplain of the Richmond Hospital, was active in Masonry, a trustee of Richmond College, and was a constant demand upon him to make addresses on public occasions. His many friends will be glad to know that he is to preach his last church for the next ten days or two weeks.

## FORT MAHONE SITE FOR THE MEMORIAL

This Selected as the Location for Monument to Be Erected by Pennsylvanians.

### WILL SUE TARTT FACTION

Treasurer and Deacons of Church to Bring Action for Defamation of Character.

(Special to The Times-Dispatch.) PETERSBURG, Va., November 23.—Fort Mahone, in Prince George county, within two miles of this city, will be the site of the monument to be erected in memory of General John F. Hartman's Division of Pennsylvania troops, Major John B. Brown and Colonel Milton A. Embick, respectively president and secretary of the Battlefield Association of Pennsylvania, drove out today to Fort Steadman and Fort Mahone, accompanied by General Smith Bolling and Mr. William Mahone, of this city, and Captain Mulker and his son, of Pennsylvania. Fort Steadman, the site first considered, where the Massachusetts Heavy Artillery has erected a handsome monument, has been discarded because of its inaccessibility, and Fort Mahone selected as the more suitable location. It is understood that Major Brown and Colonel Embick will complete negotiations for the purchase of the site for the new monument before their return to Pennsylvania.

### Will Sue Tartt Faction.

Suits for defamation of character will be brought by the treasurer and deacons of the Harrison Street Baptist Church, colored, against those members of the body of the local church who caused to be published in Petersburg newspapers last September statements charging dishonesty on the part of those in charge of the finances of the church.

The church officers now propose to make the allies of their former pastor, Eli Tartt, either prove their statements or pay damages. The controversy is another feature of the long-standing quarrel in the congregation between Tartt and his party, on one side, and the church officers and adherents, on the other, which resulted in the closing of the church and the placing of the difficulty under the supervision of the Hastings Court.
